

Oneview's Mission, Vision and Values

Our mission, vision and values represent the very foundation of Oneview—acting as both guide and compass. They drive internal alignment, fuel decision-making and influence every aspect of how the brand interacts with its audience.

Mission / Our why

To improve connected care experiences, every day.

Vision / Our future

Reimagining the digital environment of care to make it accessible, seamless and reliable for all.

Values / Who we are

- › **Integrity** We always act in our customers' best interest and deliver on what we have promised, because to us, trust is everything.
- › **Intention** We are thoughtful and deliberate to understand and solve real Customer needs.
- › **Compassion** We approach every Customer, every person, every challenge with empathy and understanding.

Together, these elements serve as the heart of our identity and set the tone for every internal and external touchpoint.
